

Windward Therapeutic Massage Center

*Healing Journey...
through the power of touch.*

Professional Massage Therapy Program:

Windward Therapeutic Massage Center offers a 570 hour Academic & Apprenticeship certificate program. Completion of this program will enable graduates to apply for the Hawaii State Massage Therapy Licensing Exam, as well as the exam for National Certification through the (NCBTMB).

The Professional Massage Therapy Program consists of:

- 150 hours of kinesiology, physiology, anatomy, theory and practice.
- 420 hours of clinical operations and hands-on supervised massage with record keeping.

About the Program:

- The program is limited to 12 students, ensuring that each student will get the personal attention and help he/she will need to become a successful massage therapist.

- The class room setting is very comfortable and relaxed.
- WTMC is a wellness clinic, working together with Medical Doctors, Chiropractors and Physical Therapists. We are unique because we are one of the only massage schools on the island that is located within a wellness clinic.
- We take personal interest in your success.

Pre-requisites for enrollment:

- High School diploma or equivalent
- Minimum age of 18 years old
- Current TB clearance required (within 2 years)
- Physically able to perform massage therapy

*Prospective students are encouraged to visit the school facility and to meet with the school Director.

Objectives:

- To educate students in the various techniques that the Massage profession offers, which include: swedish, deep muscle tissue, lomi lomi, shiatsu, aroma therapy, reflexology, trigger point, prenatal, hawaiian spiritual healing and seated massage.

- To educate students in the various industrial techniques, which include: sciatica, whiplash, headaches and carpal tunnel syndrome.
- To provide an environment where students are able to learn and work on various industrial injuries while assisting our licensed massage therapist.
- To educate students in proper business practice and ethics.
- To produce skilled, effective Massage Therapists.
